Planning Portal Release 5.07 (1st August 2011)

Homepage Portlets	
Homepage Portlets	
4454	**Useful Links portlet**
	This fix ensures users can still access categories which have previously been removed by the User, from the Useful Links portlet.
Homepage	
4509	**Homepage**
	This fix prevents the homepage from intermittently reloading before completion whilst using Internet Explorer 8.
Search Results	
4394	**Removal of Java error**
	This fix has removed the Java error from appearing on the search results page for IE6, IE7 and IE8 browsers.
Login Page	
4583	**User Session - Login Page**
	This fix ensures that if a user session times out, the links on the login page work without having to log back in.
